Virtual Parent Education Group

8 week program

**Groups will start
once there is a
group of 5 families
ready to start!**

The virtual parent education group will be an 8 week program addressing skill-building, reduction of challenging behaviors, family support and caregiver resources. Group will be held weekly online and be approximately one to one and a half hours in length.

Services Include:

- ★ Weekly caregiver sessions with a Licensed Behavior Analyst or Licensed Assistant Behavior Analyst
- ★ Each week will cover educational information on one focused topic with plenty of time for questions

Program Eligibility:

- ★ Diagnosis of an Autism Spectrum disorder
- ★ Ability to commit to a once a week sessions for 8 weeks
- ★ Molina, Kaiser, Premera or Regence insurance (and approval by insurance for services)
