

Mental Health Counselor Associate (LMHCA) or Licensed Social Worker Associate (LSWAIC)

Are you currently wanting to acquire hours for your licensure and need access to excellent supervision? We have designed a program for associate level counselors to learn from our clinical team, see a full load of clients, work collaboratively with other providers and get paid for clinical work.

Position type: Full-time Position

Hours per week: Min 20 session hours

Compensation: \$35 per session hour

License Requirements: Candidate must have one of the following licenses in the state of Washington: Licensed Mental Health Counselor Associate, Licensed Marriage and Family Therapist Associate, or Licensed Independent Clinical Social Work Associate

Minimum Education/Experience Requirement: Master's Degree in Counseling, Social Work, or related field. Actively working to obtain supervised experience toward independent licensure in the State of Washington

Expected Schedule: Tuesday, Wednesday and Friday, afternoons required

About us:

Sendan Center is an interdisciplinary child and adolescent mental and behavioral health office located in Bellingham. Our mission is excellence in child and adolescent mental and behavioral healthcare through comprehensive, collaborative, evidence-based care. Our workplace culture is of an extremely high standard of professionalism, deep goodwill, thoughtfulness, compassion, and warmth and respect among colleagues.

About the position:

We are looking for a unique individual to fill a Mental Health Associate Counselor role at our busy, close-knit, and growing clinic. This position requires empathy, effective communication, a friendly disposition, time-management skills, attention to detail, clinical knowledge, and someone with a genuine desire to help children and families.

Essential Job Functions:

- Provide an array of outpatient mental health services to promote individualized patient recovery
- Develop and implement treatment plans based on clinical experience and knowledge
- Act as client advocate to coordinate required services

- Modify treatment activities as needed to comply with changes in clients' status
- Complete and maintain documentation in a timely and accurate manner
- Maintain confidentiality of records relating to clients' treatment
- Collaborate with other staff members to perform clinical assessments or develop treatment plans

To apply, please submit a resume and cover letter to the HR Manager, Emily Taylor, at etaylor@sendancer.com

Thank you for your consideration!
